*All toilets suitable for disabled users marked with a star can only be opened with a special key. This Euro-Key can be used across the whole of the country, also at motorway cafes. The key is available at the "*Club der Behinderten und ihrer Freunde (CBF)* (The disabled and their friends club). The CBF will send you a key for a fee of 15 Euros. Beforehand they require a copy of the front and rear side of your disabled pass (You must be at least **70%** disabled or the pass must at least be noted with a **G**). In addition to this the club has published a "*Locusbuch*" (Toilet Book) displaying all WCs in Germany and certain parts of Europe, which are suitable for the disabled. This book costs 8 Euros. The book and key can be purchased together for a fee of 20 Euros.
